EDUCATION

**Bath Spa
University**

BA (Hons) Creative Writing with Publishing 2:1
(68.29)

September 2013–
June 2016

Modules include:

The Editor: Covered critical thinking; sourcing, generating, selecting and pitching ideas. Project management and scheduling. Focused on shaping text: cutting and rewriting where necessary, structuring text for clarity and readability. Proofreading fiction and non-fiction to house style.

Digital Publishing: App creation using Adobe Experience Manager, e-book creation, website creation including use of content management systems (Wordpress). Collaborative problem-solving and project management for creative content (e.g. new product development/ online promotions).

Professional Writing: Developed non-fiction writing skills and learned to apply them across a variety of contexts. Covered copywriting, speechwriting, online journalism, press releases, advertising, long-form nonfiction, travel writing and more. Particular focus on clarity, concision, audience and tone of voice.

Projects:

Immerse magazine: Created and designed an issue of an art and soundtrack based gaming magazine, complete at 32 pages.

Creative Monsters: Collaborated with award-winning authors Brandon Sanderson and Jonathan Stroud, and local children to create a 'mini-booklet' exploring creativity in writing. Included a fundraising campaign to cover printing costs, followed by sales to raise money for The Children's Society. Produced and edited content as well as using InDesign to create the product.

University roles:

Commissioning Editor, Games – Milk. Magazine. February – June 2015
